Subject: Notice of File Closure, Bill Harrison, Monoclinic Mine, S0370085, Task 1738, San Juan County, Utah

Dear Mr. Harrison:

The Monoclinic small mining permit, file number S0370085, located in San Juan County, Utah, will now be closed and the file retired.

On January 10, 2007, a site inspection was performed and it was determined that the site has been satisfactorily reclaimed and can be fully released. No surety has been held for reclamation of this mine.

You are hereby released by the Division from further mining or reclamation responsibilities at this site. The Bureau of land management closed their file for this project in January 2006. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(ies), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Paul Baker (lead) at (801) 538-5261. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Susan M. White
Mine Program Coordinator
Minerals Regulatory Program
